

MAMA J's
ITALIAN KITCHEN

Altogether Italian Food

Mama J's is more than just a restaurant; it's a warm, welcoming family kitchen where everyone can feel at home.

As you can see, we're infatuated with the wonderful richness of Italian cooking – the big flavours; the love that's poured into everything; the over-the-top, eat-till-you-drop, splashing-off-your-plate style of every occasion.

We've recreated authentic Italian comfort food, as perfected by generations of Mediterranean Mamas, and we cook the Italian way – in our traditional wood-fired oven. So to do our recipes justice we buy the ripest, most flavour-oozing, lusciously fresh produce from Cornish farms and fishermen, and add authentic ingredients imported from Italy.
